**MEMORANDUM FOR: Assistant Secretary of the Air Force, Research and Development (Mr. Trevor Gardner)
Deputy Chief of Staff, Operations, USAF (General Everest and/or General Briggs)
Deputy Chief of Staff, Development (General Putt)**

1. Attached herewith is a memorandum on Project OILSTONE which outlines proposed organizational arrangements in accordance with the memorandum on this same subject directed to the Chief of Staff from the Secretary of the Air Force, dated 27 June 1955. The attached memorandum was prepared as a basis for discussion at the meeting shortly to be held with Mr. Gardner, who suggested that it might be useful if those who were to be present at the meeting had a chance to read this proposal in advance.

2. It is requested that this be handled on an "EYES ONLY" basis.
